(c) Any qualified applicant who fails an examination and is refused a license or certificate may take another examination within the time limits set by the committee upon payment of an additional fee determined by the board after consideration of any recommendation of the committee.

(d) Nothing in this section shall be construed as a prohibition against any qualified applicant who has failed an examination from making further application for a license to practice physical therapy or for a certificate to act as a physical therapist's assistant when the application is accompanied by the fee determined by the board after consideration of any recommendation of the committee. *(Formerly: Acts 1957, c.198, s.7; Acts 1971, P.L.379, SEC.6.) (2) is otherwise qualified as required by this chapter.

A renewal fee established by the board after consideration of any recommendation of the committee must be paid biennially on or before the date specified by the health professions bureau, and if not paid on or before that date, the license or certificate becomes invalid, without further action by the committee. A penalty fee set by the board after

consideration of any recommendation of the committee shall be in effect for any reinstatement within three (3) years from the original date of expiration.

(c) An expired license or certificate may be reinstated by the committee up to three (3) years after the expiration date if the holder of the expired license or certificate:

(1) pays a penalty fee set by the board after consideration of any recommendation of the committee; and

(2) pays the renewal fees for the biennium.

If more than three (3) years have elapsed since expiration of the license or certificate, the holder may be reexamined by the committee. The board may adopt, after consideration of any recommendation of the committee, rules setting requirements for reinstatement of an expired license.

(d) The committee may issue not more than two (2) temporary permits to a physical therapist or physical therapist's assistant. A person with a temporary permit issued under this subsection may practice physical therapy only under the direct supervision of a licensed physical therapist who is responsible for the patient. A temporary permit may be issued to any person who has paid a fee set by the board after consideration of any recommendation of the committee and who:

(1) has a valid license from another state to practice physical therapy, or has a valid certificate from another state to act as a physical therapist's assistant; or

(2) has applied for and been approved by the committee to take the examination for licensure or certification, has not previously failed the licensure or certification examination in Indiana or any other state, and has:

(A) graduated from a school or program of physical therapy; or

(B) graduated from a two (2) year college level education program for physical therapist's assistants that meets the standards set by the committee.

The applicant must take the examination within the time limits set by the committee.

(e) A temporary permit issued under subsection (d) expires when the applicant becomes licensed or certified, or approved for endorsement licensing or certification by the committee, or when the application for licensure has been disapproved, whichever occurs first. An application for licensure or certification is disapproved and any temporary permit based upon the application expires when the applicant fails to take the examination within the time limits set by the committee or when the committee receives notification of the applicant's failure to pass any required examination in Indiana or any other state.

(f) A holder of a license or certificate under this chapter who intends to retire from practice shall notify the committee in writing. Upon receipt of the notice, the committee shall record the fact that the holder of the license or certificate is retired and release the person from further payment of renewal fees. If a holder of the license or certificate surrenders a license or certificate, reinstatement of the license or certificate may be considered by the committee upon written request. The committee may impose conditions it considers appropriate to the surrender or reinstatement of a surrendered license or certificate. A license or certificate may not be surrendered to the committee without the written consent of the committee if any disciplinary proceedings are

pending against a holder of a license or certificate under this chapter.

Further, a practitioner who has personal knowledge of any person engaged in, or attempting to engage in, the unauthorized practice of medicine or physical therapy shall promptly report such conduct to the medical licensing board or the physical therapy committee.

(j) A practitioner who voluntarily submits himself or herself to, or is otherwise undergoing a course of treatment for:

Prior to any such referral, however, the practitioner shall examine or consult with, or both, the patient and the referring physician, podiatrist, psychologist, chiropractor, or dentist to ensure that a condition exists in the patient that would be within the scope of practice of the specific professional health care provider to whom the patient is referred or sent.

The practitioner discontinuing his or her practice shall make reasonable arrangements with his/her active patients for the transfer of his/her records, or copies thereof, to the referring physician, podiatrist, psychologist, chiropractor, or dentist who shall make the records, or copies thereof, available to the succeeding practitioner or to a program conducted by a professional society or association.

(z) A practitioner shall not attempt to exonerate himself or herself from or limit his or her liability to a patient for his or her personal malpractice except that a practitioner may enter into agreements that contain informed, voluntary releases or waivers of liability, or both, in settlement of a claim made by a patient or by those responsible for a patient's care.

(aa) A practitioner shall not attempt to preclude, prohibit, or otherwise prevent the filing of a complaint against him or her by a patient or other practitioner for any alleged violation of this title, IC 25-27-1 et seq., or any other law.

(bb) A practitioner shall maintain adequate patient records.

(ii) Failure to comply with the above standards of professional conduct and competent practice of physical therapy may result in disciplinary proceedings against the offending practitioners. Further, all practitioners licensed in Indiana shall be responsible for having knowledge of these standards of conduct and practice.
